Investment Income and Activity

During the fiscal and calendar year 2018 the NCLEAC’s operating account was maintained in a checking account at the Bridgehampton National Bank (BNB). Interest Income was earned on this account. A Money Market account was also maintained at BNB which earned a higher interest rate than the checking account. Deposits up to \$250,000 at BNB were guaranteed by the Federal Deposit Insurance Corporation (FDIC) and deposits above \$250,000 were protected and collateralized via custodian agreements and pledges of eligible securities. All pledged eligible securities per these agreements were held by Wilmington Trust (Manufacturers and Traders Trust Company /M&T Bank), as custodian (the “Custodian”).

For the full year 2018, the operating and money market accounts at BNB earned \$43.01 and \$1,307.00 interest income respectively. The account balances as of December 31, 2018 were \$70,701 and \$513,791.

The amount earned was in line with the amount budgeted for calendar year 2018. The Corporation paid no fees, commissions, or other charges to any investment banker, broker, dealer, or advisor rendering investment services during the reporting period.

Investment & Deposit Policy

Per Section 2925 of the Public Authorities Law, the directors of the NCIDA are required to re-adopt an Investment Policy each year. The Investment Policy was not re-adopted in 2018 as the result of an oversight primarily due to a change in staff, administration and board. However the NCIDA Board re-adopted its' Investment Policy on March 21, 2019.

Investment Audit

Since the Investment Policy was not re-adopted in 2018 the auditors could not issue an Audit Report on the NCIDA compliance with the policy. However, the Audit did not identify any issues with the Investments and their reporting during 2018.
